The Honorable Janet Yellen
Secretary of the Treasury
Department of the Treasury

Washington, DC 20220

Dear Madam Secretary:

The Citizens Coinage Advisory Committee (CCAC) held a public meeting on September 24, 2024, during which we reviewed the candidate designs for the Superman 2025 Comic Art Coin and Medals. This portfolio is the first to be reviewed for this program.

At our public meeting, the CCAC reviewed a single obverse and reverse candidate design for the medals and coin and heard from Preston Kevin Lewis, Head of Consumer Products and Retail Strategy for the Americas, Warner Brothers Discovery.

In the course of the meeting, the CCAC discussed the overall nature of the program and the specific portfolio that was presented. By a motion that passed unanimously by voice vote, the CCAC recommends the obverse and reverse designs for the Superman coin and medal.

It is an honor to serve as the Chair of the CCAC and I am proud of the CCAC's role in the production of United States coins and medals.

Sincerely,
